(To be filled in by the Office)

Recommended for Financial help:

Janifar R is hailing from financially weaker background and studying 1 grade. She has her younger sister yet to begin her studies. Her father, being a coolie worker does not get much income. Her mother is at home to take care of the children as they are very small. They find it difficult to meet their livelihood needs and the education of the children. They are in need of our financial support to educate Janifar R.
